Cayuse Kindergarten RoundUp

Friday, April 27!

Please call 756-4560 ext. 236 to schedule an appointment.

Children MUST be 5 by Sept. 10, 2018.

Be sure to have your child's birth certificate and immunization records on Round Up Day!

We look forward to having your child attend Cayuse Prairie!

If your child isn't of Kindergarten age consider our [Lil' Mustang Program](#). This class would enable children to receive the benefits of kindergarten even though they have not yet reached the legal State-age requirements for them to be enrolled in a regular kindergarten class. This will be a standards-based class being taught by a Montana certified teacher. Regular hours will be observed and all children would follow the official school calendar for the 2018-19 School Year. Lil' Mustangs typically attend 3 days per week (T-Th) and occasionally an additional day. There will be no fee charged for this class. We have a limit 12 students for this class; eligibility is based on age.

Highlander Track Program

You may register for the boys and girls track and field program anytime during normal business hours at either Three Rivers Bank location:
