*BROUGHT TO YOU BY SCHOOL PUBLISHING
FEBRUARY 15, 2018*

Fourth grade enjoyed ice fishing at Echo Lake catching close to 300 fish. Tayton Hardman set the record of catching 53 fish and earned himself a new ice fishing pole. Congratulations Tayton!!!

Lunch’N Learn

This year’s theme at Cayuse Prairie is “Learning is Fun!” According to this theme 14 students were selected to learn how to hula dance with Evie Aneca. The select group of students had lunch together, before they listened to Evie talk about the ancient history of hula dancing. What a great opportunity for Cayuse students to expand their knowledge and curiosity about different topics! Please contact the office if YOU

are interested in sharing any special talents: 756-4560.

**Don’t forget your Smencil (Smelly Pencil)
money on Fridays!
Just \$1.00 per smelly pencil or marker!
Proceeds benefit the Science Fund!**
