

Dear Local Business,

Cayuse Prairie School is excited to offer local businesses an advertising opportunity in our very busy gymnasium. Our P&F group is raising funds for our school in order to offer our students new educational opportunities by bringing in authors, computer science professionals and updating equipment. We are also looking into events for our students and community to come enjoy together. We are offering this advertising space which is used throughout the week as well as weekends for both school and community activities. We host over 60 home games as well as 3 multiple day tournaments and a multitude of school activities and performances.

Please consider the following to advertise your business:

- \$250 for a 2x3' vinyl banner with your business name and logo, with a \$100 renewal option each year after to keep your business on our community wall of pride.
- \$100 renewal for existing advertising.

Please complete the form below and return with payment to:
